Say hello to GWM.

GWM is a world-renowned vehicle manufacturer capable of designing and producing SUVs, utes and powertrains simultaneously. At GWM, everything we do is grounded in our corporate philosophy: ‘improving little by little every day.’

From building world-class research and development systems, which enable continuous innovation, to following the ‘excessive investment’ principle, which drives industry leadership, we relentlessly put our philosophy into practice. We are proud to make vehicles that combine the best components, technology and safety features from around the world. With over 2.5 million ute and pick up’s sold globally (and counting), we are a proud maker of durable utilitarian vehicles for over 25 years. We attribute our success to passion, drive and a commitment to listening to our customers.

A more rugged ride for your family.

Purpose-built for Aussie families who seek a little more adventure in life, the GWM Haval H7 delivers practicality and intelligent performance in one seriously powerful package. With rugged styling, smart and safety technology, this big and bold SUV is here to help you explore more of the everyday, wander the wilds of the weekend - and do it all with efficiency, comfort and style.

Handles everything
your family throws at it.
And more.

Packed with more style, safety and tech,
the GWM Haval H7 is a powerful presence
on any road trip.

19" black alloy wheels

Sharp angular exterior

With striking, sharp body lines, the angular impact of the Haval H7 exterior hits hard in any setting. Fender flares add an extra edge to the silhouette, framing 19" black alloy wheels. On the inside, a sophisticated 14.6" infotainment screen plus panoramic sunroof and second row sunshades keep the family settled in style. While LED headlights and black details steal the show outside. It's a bold look that draws all the looks.

Blacked out front grille

Stands out when you're out and about.

LED headlights

Black badging and decal

Unmistakable rear styling

Intelligent instrument layout

Panoramic sunroof with blind

Leather accented seats

Expandable cup holder

Power through your week.

Every family could use a little extra *performance* to power through the demands of daily life - and you'll get just that in the GWM Haval H7.

With a 1.5L turbo petrol hybrid *powertrain* delivering 179kW of power and 530Nm of torque, it's got the goods to go when needed. Delivering an incredible fuel efficiency of 5.7L/100km, why not make it a long one?

Kick-sensing tailgate

Tech that takes the edge off family adventures.

The best kind of auto tech makes family driving simpler, more stress free - and that's exactly what we've packed into the new Haval H7. With a 14.6" infotainment screen loaded with Apple CarPlay, Android Auto, voice command and more. Plus wireless charging and a kick sensing tailgate - because when you're running a family, your hands are always full.

Wireless Charging

14.6" infotainment screen

Multi function steering wheel

Your family's in the safest of hands.

Your family's in the safest of hands.

In the GWM Haval H7, safety comes first on any adventure. With 7 airbags and advanced driver assistance - including Adaptive Cruise Control, Lane Keep Assist and Traffic Jam Assist - the road ahead has never seemed smoother. Plus a 360-degree view camera and Automatic Emergency Braking with pedestrian and cyclist detection makes it simpler to keep everyone safe - in the car and outside.

Protection from all angles.

Smart tech, active and passive safety features and front and side monitoring mean worry-free driving.

GWM Care

Every GWM comes with GWM Care. It begins from the moment you take delivery of your vehicle and continues long into the future. Wherever the road leads, you can rest assured knowing that your GWM will be kept at its best for many years to come.
