Say hello to GWM.

GWM is a world-renowned vehicle manufacturer capable of designing and producing SUVs, utes and powertrains simultaneously. At GWM, everything we do is grounded in our corporate philosophy: ‘improving little by little every day.’

From building world-class research and development systems, which enable continuous innovation, to following the ‘excessive investment’ principle, which drives industry leadership, we relentlessly put our philosophy into practice. We are proud to make vehicles that combine the best components, technology and safety features from around the world. With over 2.5 million ute and pick up’s sold globally (and counting), we are a proud maker of durable utilitarian vehicles for over 25 years. We attribute our success to passion, drive and a commitment to listening to our customers.

Bold design, built to stand out.

Purpose-built for New Zealand families who seek a little more adventure in life, the GWM Haval H7 delivers practicality and intelligent performance in one seriously powerful package. With rugged styling, smart and safety technology, this big and bold SUV is here to help you explore more of the everyday, wander the wilds of the weekend - and do it all with efficiency, comfort and style.

*Overseas model shown

Handles everything your family throws at it. And more.

Packed with more style, safety and tech, the GWM Haval H7 is a powerful presence on any road trip.

*Vanta HEV model shown

19” alloy wheels

*HEV Wheels displayed

Blacked out front grille

*Vanta models only

Sharp angular exterior

With striking, sharp body lines, the angular impact of the Haval H7 exterior hits hard in any setting. Fender flares add an extra edge to the silhouette, framing 19” alloy wheels. On the inside, a sophisticated 15.6” infotainment screen plus panoramic sunroof and second row sunshades keep the family settled in style. While LED headlights and black details steal the show outside. It’s a bold look that draws all the looks.

Stands out when you’re out and about.

122 high transparency LED headlights

Unmistakable rear styling

Black badging and decal

*Vanta models only

Intelligent instrument layout

Panoramic sunroof with shade

Leatherette accented seats

Height adjustable cup holder

Power through your week.

Every family could use a little extra *performance* to power through the demands of daily life - and you'll get just that in the GWM Haval H7.

With a 1.5L turbo petrol hybrid *powertrain* delivering combined power of 182kW with 670Nm of torque and PHEV combined power of 320kW and 670Nm of torque, it's got the goods to go when needed. Delivering an incredible hybrid fuel efficiency of 7.0L/100km and PHEV fuel efficiency of 0.9L/100km, why not make it a long one?

Pack more into every trip.

Minimum rear Luggage capacity at 586L and maximum at 1,404L

*Overseas model shown

From the school run to the long weekend away, the Haval H7 makes room. Enjoy 586L of luggage space, or fold the 60:40 split rear seats for up to 1,404L capacity. Plus, handy power outlets in the boot to keep the adventure charged.

Tech that takes the edge off family adventures.

Wireless Charging

15.6” Infotainment Screen and Tactile Piano Style Buttons

Multi Function Steering Wheel

The best kind of auto tech makes family driving simpler, more stress free - and that’s exactly what we’ve packed into the new Haval H7. With a 15.6” Coffes OS infotainment screen loaded with Apple CarPlay, Android Auto and more. Plus wireless charging - because when you’re running a family, your hands are always full.

12.3” LCD Driver Display and 9” Head Up Display

*HUD is applicable to Vanta models only

Your family’s in the safest of hands.

Your family’s in the safest of hands.

In the GWM Haval H7, safety comes first on any adventure. With 7 airbags and advanced driver assistance - including Adaptive Cruise Control, Lane Keep Assist and Traffic Jam Assist - the road ahead has never seemed smoother. Plus a 360-degree view camera and Automatic Emergency Braking with pedestrian and cyclist detection makes it simpler to keep everyone safe - in the car and outside.

Protection from all angles.

Smart tech, active and passive safety features like 18 intelligent sensors, and front and side monitoring mean worry-free driving.

GWM Care

Every GWM comes with GWM Care. It begins from the moment you take delivery of your vehicle and continues long into the future. Wherever the road leads, you can rest assured knowing that your GWM will be kept at its best for many years to come.

Specifications

[1]Weights/mass/volumes/dimensions are approximate and subject to individual vehicle variances, and should be confirmed before fitting any accessories, towing or otherwise relying on this value

[2]Results in fuel consumption is determined under the Worldwide Harmonised Light Vehicles Test Procedure (WLTP), as specified in ADR 81/03. The electric range and the fuel consumption values were determined in a laboratory test and are not reflective of real world driving. Actual driving range may vary depending on accessories fitted, battery age and condition, climate, driving style, use of heating/cooling, traffic conditions, and vehicle load.

[3]Towing capacity subject to regulatory requirements, tow bar and vehicle design and towing equipment limitations.

[4]Android Auto™ is a trademark of Google LLC. Requires compatible device, USB connection, mobile data, network reception and GPS signal. Mobile usage at user's cost. Functionality subject to change.

[5]CarPlay® is a trademark of Apple Inc in the U.S. and other countries. Requires compatible device, USB connection, mobile data, network reception and GPS signal. Mobile usage at user's cost. Functionality subject to change.

[6]Vehicle dynamic control system includes Anti lock Brake System (ABS), Traction Control System (TCS), Roll-over Mitigation Intervention (RMI), Electronic Stability Control (ESC)

[7]This is a driver assistance feature, driver must always maintain control of the vehicle, monitor traffic conditions, nearby environment and be ready to take over control.
